## Kitchen Use and Meal Guidelines

**KITCHEN USAGE:** The Lodge Kitchen is designed to be a “caterer’s” kitchen. The kitchen has a large refrigerator and freezer as well as a microwave for our guests to use. Food can be stored in cabinets and drawers. The gas stove and dishwasher require some training before they can to be used. There are recycling containers available for garbage, paper and cardboard, and plastic and glass items.

**MEAL GUIDELINES:** Each group using the Black Rock Forest Lodge needs to arrange for its own meals. Groups can bring their own food for meals or have them catered shown below.

An overnight stay will probably require 4 meals in this order:

1. Lunch (arrival)
2. Dinner
3. Breakfast
4. Lunch (departure)
